Here is a list of Restaurants that have agreed to do a direct billing to us when you are hosting a visitor at their establishment. Note that some have special requirements or situations that you have to be aware of. The manager at Kadena's said that he will try to work with the Board Room to put the alcohol on his bill and he will reimburse them later.

Things to remember:

1. If possible, a reservation stating that our dept. is to be direct billed would be nice. It'll give them a chance to prepare their new people.
2. Sign your name, print it under the signature along with the name of your guest so we can match it later.
3. If they ask, our mailing address is: DBS, U of MT., 32 Campus Drive #4824, Missoula, MT 59812. My phone #243-2465

Thank you,

Rochelle Krahn
