Attached to this sheet list employment or professional experience during the past five years. List also any courses you are taking now to complete your degree. (This list will supplement the record shown on the transcripts you submit.)

All applicants should be sure there is a representative sample of their expository writing (essay, term paper, etc., in their files (MA applicants will have submitted a sample for admission, but MFA candidates will definitely need to submit one); it need not be from an English course so long as you believe it fairly represents your writing ability.
