AROUND EVST

1. Study in Central America this Summer! – Informational meetings Sept. 9 and 10
   EVST professor Dan Spencer will be offering a 3-credit, 2-week Travel Seminar to Nicaragua, May 25-June 18, 2015. The primary focus of the course is examining Central American views on the Environment, Human Rights and efforts toward Sustainable Development within the context of the global economy in Latin America. You do not need to know Spanish to participate. Come to one of the following Informational Meetings to learn more about this unique travel-study opportunity: Tuesday, September 9th, 6:00 p.m., DHC 117 or Wednesday, September 10th, 5:00 p.m., DHC 117, or contact Dan at daniel.spencer@umontana.edu or 243-6111. Open to both
undergrads and graduate students. [I participated in this course last summer and would also be happy to answer any questions from a grad-student perspective!]

2. **AERO Friendraiser Potluck Dinner at the UM FLAT – Sept. 10**
The UM FLAT is hosting an Alternative Energy Resources Organization Friendraiser potluck dinner! Come to eat, gather with AERO members, find out about Montana's 40-year-old energy and agriculture nonprofit, and have fun. AERO is Montana's hub for sustainable communities and is pre-celebrating with friends around the state as members and friends get ready for the AERO Annual meeting in Red Lodge, Montana October 17 - 19. Questions? Contact Ellie Costello, costello.liz@gmail.com.
**When:** Wednesday, September 10, from 6:30 - 9:00pm  
**Where:** UM FLAT studio

3. **EVST alum reads from her new book of poetry – Sept. 13**
Melissa Mylchreest will be reading from her new book of poetry, *Waking the Bones* this weekend. She’ll be joined by fellow Missoula poet, Chris Dombrowski, who will be reading new work as well.
**When:** Saturday, September 13, at 7 pm  
**Where:** at Shakespeare & Co.

4. **First Camas meeting – Sept. 14**
We are six weeks out from the Camas submissions deadline, so we'd love to get together with those of you who are interested in being a part of the soliciting and/or reading process for the fall issue of the magazine. If you are interested in learning more and in participating in a conversation with us about the role Camas will play in the EVST program and among our readers in the West (and beyond), please join us for our first meeting!
**When:** Sunday, September 14, from 6 pm - 7pm  
**Where:** FLAT studio, 633 S. 5th Street East

5. **Big Timber potluck – Sept. 17**
Thinking of joining the Big Timber Trip, or already signed up? Bring a sumptuous dish to share and something to drink to the Big Timber trip potluck to learn more.
**When:** Wednesday, September 17 at 6pm  
**Where:** Susan and Tom Roy’s – 2555 Lester, Missoula. 406.728.8319

6. **EVST alum's campaign work chronicled in a new book**
EVST grad alum Shoren Brown (2006) has been campaigning to stop the pebble mine in Bristol Bay Alaska. His work was recently chronicled in a new book by New York Times best-selling author Paul Greenberg, *American Catch*, which analyzes current seafood issues. Congrats to Shoren!

7. **Save the Smith River – EVST alums and students involved in the campaign**
Two EVST alums Derf Johnson of MEIC and Bonnie Gestring of Earthworks sent this info to share with EVST students: Canada-based Tintina Resources wants to mine for copper at the headwaters of Montana’s Smith River. Last week, Australia-based Sandfire Resources bought a large stake in Tintina, making the threat of this mine even more credible. If you are concerned about this, visit the web site at: [www.SaveOurSmith.com](http://www.SaveOurSmith.com), where you can learn more about Tintina's proposed mine. The web site also has a petition to Governor Steve Bullock and
Montana Department of Environmental Quality Director Tracy Stone-Manning (ANOTHER EVST alum), asking that they protect the Smith River. EVST student Gabrielle Ostermayer has been working as an intern with Earthworks and can answer your questions about the Smith River project and campaign.

FEATURED EVENTS (See www.umt.edu/conservationcalendar for more)

1. Wilderness Conference at UM – Sept. 10-12
   In passing the Wilderness Act in 1964, the United States Congress created a legal and ethical imperative to preserve wilderness as a public good. The first half of the fall 2014 Mansfield Conference will be devoted to celebrating the work done to fulfill that imperative. The second half will focus on present and future challenges and controversies facing wilderness. The conference will pay special attention to the key roles Montana and Montanans have played and are playing in establishing, realizing, and pursuing the imperative of wilderness. Click here for more information and the agenda.
   **When:** Wednesday, September 10, - Friday, September 12
   **Where:** UC Ballroom, UM

2. Honey Festival – Sept. 17-20, but register now or sign up to volunteer!
   UM bee researcher Jerry Bromenshenk is the president of the Western Apiculture Society and is bringing a major conference on bee science to UM (Sept 17-20). Conference includes speakers (researchers, bee industry specialists, hive and bee monitoring experts, etc.), 21 workshops and a free Honey Festival.

   *Agenda is posted at EVST & is available [here](#). The four day registration for non-members of WAS is $175; $65-75 by day. UM and local high school students pay only $30 per day or $15 partial day (Wed-Thurs). Register for arm-band at registration desk – admission limited by number of available seats.*

   *Saturday morning, there are 21 workshops open to anyone interested. $30 flat rate for your choice of four of these – register at the workshop (if space available), or pre-register at WAS registration desk in UC (top floor) Wed-Friday. Workshops range from candle making to mite control to queen breeding.*

   *Saturday afternoon is the 1st Annual [Honey Harvest Festival](#) (open to the public and UM, free admission).*

   *Fees will be waived for students who volunteer. Volunteer opportunities are on Saturday during the morning workshops and for setup, staffing & takedown of the Honey Festival. Contact [jerry.bromenshenk@mso.umt.edu](mailto:jerry.bromenshenk@mso.umt.edu).*

Back to Top
**VOLUNTEER OPPORTUNITIES**

1. **Tuesday open garden hours in the UM gardens – Sept. 9**
   Stop by the UMD Garden behind the Lommasson Center from 1-4pm on Tuesdays this fall to help with garden activities. No gardening experience necessary! For more info, contact [natasha.hegmann@mso.umt.edu](mailto:natasha.hegmann@mso.umt.edu)
   - September 9 - Harvest the season’s bounty (mountains of cucumbers and tomatoes need picked for delivery to the Food Zoo)
   - September 16 – Hops harvest
   - September 23 – Put the garden to bed
   - September 30 – Plant garlic

2. **Students for Peace and Justice first fall meeting – Sept. 9**
   SPJ will usually meet every Tuesday from 6:30 to 7:30pm in UC 223. The first meeting will be Sept. 9th, this upcoming Tuesday, but instead will be held on the Oval on the center seal (between the Griz statue and University Hall). For its first project, SPJ will sponsor a film called *Triple Divide*, a film about fracking, on Sept. 16th in the UC Theater. This documentary, produced by PublicHerald.org, is on a national tour and you can watch previews from each chapter here: [http://tripledividefilm.org/](http://tripledividefilm.org/). SPJ would like to revive the traditional SPJ monthly films, so please bring any suggestions to the meeting! For more info, contact [Amelia.Liberatore@umontana.edu](mailto:Amelia.Liberatore@umontana.edu)

3. **Volunteer Fair in UC – Sept. 9-10**
   UM’s annual Volunteer Fair will be Sept 9-10 from 10 am to 2pm in UM’s UC Atrium. Dozens of local groups will be looking for volunteers. Great ways to serve the community, get experience, and have fun.

4. **Planned Parenthood Leaders and Advocates fall activities – Wednesdays**
   Planned Parenthood Leaders and Advocates is an active student group at UM working on reproductive health, education & rights issues. They also have a lot of fun. They meet regularly on Wednesdays at 5pm in UC 216. They are planning outreach campaigns, fund raisers, and some events just for the fun of it. Check em out.

5. **Trumpeter Swan Release – Sept. 12**
   The Blackfoot Trumpeter Swan Restoration Program is a collaborative effort of a number of organizations. The program includes the release of swans each year in the watershed, the monitoring of the growing swan population, and education through the Adopt-A-Swan Program. There will be some chances to release a swan. Click [Visit the website](http://www.montana.gov/birds/swans) for more information.
   **When:** Friday, September 12
   **Where:** Ovando area. Meet at Trixi’s on Hwy 200 at 9:00 am for a ride to the release site

6. **Weed pull on Rattlesnake Creek – Sept. 12**
   The Big Sky Watershed Corps will lead a weed pull on Rattlesnake Creek in honor of the 20th Anniversary of Americorps. We will remove invasive buckthorn around Rattlesnake Creek. Volunteers should bring water and work gloves if they have them and plan to work for about two hours. All volunteers will get a tee-shirt as well! If anyone has any questions they can e-mail me at [lee@tu.org](mailto:lee@tu.org) or call my cell at 973-975-6409. Please wear shoes/boots that you don’t mind getting muddy.
**When:** Friday, September 12, at 1pm  
**Where:** meet behind the PEAS farm where Mountain View drive dead ends above woodland drive

7. Join the first gathering of QUEST, an LBGTQ group co-created by EVST grad student – Sept. 12  
The newly minted QUEST, a group created for LBGTQ and ally graduate students and faculty, staff, and employees at UM, is ready to launch! Please join our first gathering to launch the group and celebrate the end of summer before we get down to the real work of mentoring, advocacy, and/or any other work we decide to tackle together this year. If you can’t make it but want to be involved, please send us a note: emily.withnall@umontana.edu.  
**When:** Friday, September 12, at 6 pm  
**Where:** Draughtworks, 915 Toole Avenue

Help Bitterroot Water Forum maintain stream restoration work by replacing browse protectors around plantings and weed out the competition. Meet at Hamilton Safeway (101 E. Main, Hamilton) at 12:30 pm to carpool, should be back by 5:30 pm. Maintenance and care like this is one reason why BRWF plantings have an 85% survival rate! You will need to wear sturdy shoes and bring work gloves and water. To volunteer or get more info, contact 375-2272 or katie.brwf@gmail.com

9. Reinvest MT rally – Sept.16  
Reinvest Montana coalition is holding a major fossil fuel divestment rally on the UM campus. The Reinvest Montana Rally will pressure the UM Foundation to divest all its holdings from fossil fuels and will be by far our biggest event yet. Our goal is for hundreds of students to participate. Rally will include speakers, opportunities to learn about divestment, and a chance to take action by delivering a student petition to members of the UM administration. RSVP here  
**When:** Tuesday, Sept.16 at NOON  
**Where:** on the UM OVAL

10. UM Recycling Committee seeks student members  
The UM Recycling Committee oversees the UM Recycling program and meets about an hour each month from Oct to Dec and then from Feb to April. The committee is composed of 5 student members, 5 staff members and one faculty member. The committee is currently seeking new student members. If you would be interested in serving on the Recycling Committee, please contact vicki.watson@umontana.edu

**Back to Top**
EDUCATIONAL OPPORTUNITIES

1. **'Listening Session' on the future of Missoula’s Transportation – Sept. 9**
   More info at [www.ourmissoula.org](http://www.ourmissoula.org). If you can’t make the session, send comments to imeans@ci.missoula.mt.us.
   **When:** Tuesday, September 9, from 10-11:30am
   **Where:** Basement of City Hall

2. **Science of Happiness online course – starts Sept. 9**
   Starting September 9, 2014, the Greater Good Science Center at UC Berkley is offering a free, eight-week online course that explores the roots of a happy and meaningful life. Participants will engage with some of the most provocative and practical lessons from this science, discovering how cutting-edge research can be applied to their own lives. For more information or to register to audit the course for FREE, visit the [Greater Good Science Center](http://greatergood.berkeley.edu) website.

   Over 130 University of Montana employees have benefited from participating in this workshop. Contact UM’s [Cindy Boies](mailto:cboies@umt.edu) if interested in participating in local weekly discussions regarding the course material.

3. **UM Society for Ecological Restoration’s first fall meeting – Sept. 10**
   UM SER visits and helps with ecological restoration projects around western Montana. We will have introductions, a general explanation of the group for new comers, and food. Then we will do some random tidying up around the garden. [Click here for more info](#)
   **When:** Wednesday, September 10, at 5:00pm (first meeting of Fall semester)
   **Where:** at the Native Plant Garden (southeast corner of campus – east of the Clapp building and south of the parking lot that is between the Clapp building and the old gym.

4. **Online Seminar on Ecosystem Response to Climate Change – Sept. 10**
   The talk will focus on two challenges in global change biology and ecosystem ecology: 1) understanding the relative effects of warming, precipitation change, CO2 enrichment and nitrogen deposition on past and future patterns of primary production; and 2) biogeochemical scaling of organisms to ecosystems and how emergent dynamics change with ecosystem age (time since disturbance). Case studies in grasslands and forests of Montana will be discussed. Watch live screencast at [http://montana.adobeconnect.com/roughcutscience/](http://montana.adobeconnect.com/roughcutscience/)
   **When:** Wednesday, September 10, at 12pm

5. **2014-2015 President's Lecture Series – starting Sept. 11**
   The 2014-2015 President's Lecture Series features ten distinguished guest speakers and covers a range of important topics. The series starts on Thursday, September 11. Talks are free and open to all (always at 8pm in Dennison Theater). In addition, the afternoon before his or her lecture, each speaker will present a more intimate seminar on a related topic. For more details [click here](#).
   Some topics of particular interest to EVSTers:
   - **Sept 11** -- “Political Evil: What It Is and How to Combat It”
   - **Oct 22** --“It’s the Oil, Stupid: The Oily Aspects of the Current Wars in Iraq, Syria, and other Hot Spots on Five Continents”
   - **Nov 17** -- “The Riddle of Sustainability: A Surprisingly Short History of the Future”--William Cronon, Professor of History, Geography, and Environmental Studies UW-Madison
   - **Feb 5** -- “Weapons of Mass Migration: Forced Displacement as an Instrument of Foreign Policy”
6. **Trigger for Change: Theatre as a Tool for Social Dialogue – Sept. 11-13**
   Since investigations in 2011, UM and the Missoula community have become more aware of the issues of sexual assault, but most people are still ill-informed about the realities of assault, and the effects it can have. This event will include information about sexual assault in the US and in Missoula, a staged reading of Carmen Aguirre’s moving play The Trigger, and discussion with the audience. The event is not designed to push ideas, but rather to open a space for dialogue and discussion.
   **When:** Thursday, September 11 – Saturday, September 13, at 7:30 pm
   **Where:** Lecture Theater in Main Hall

7. **Canning Workshop – Sept. 13**
   The Missoula Urban Demo project offers a workshop on simple water bath canning.
   **When:** Saturday, September 13, from 9AM – Noon
   **Where:** Missoula Head Start, 1001 Worden
   $10/ MUD Members, $20/non-members
   [Click here for info and to register.](#)

8. **Free Seed Saving Class – Sept. 14**
   Join Five Valleys Seed Library and local CSA farmer, Prairie Sievers, for a free seed-saving class. Learn the basics of seed-saving hands-on in the garden! Prairie is an organic gardener and seed saver and will share her knowledge to help you get started in your own garden. More info: [fivevalleysseedlibrary@gmail.com](mailto:fivevalleysseedlibrary@gmail.com)
   **When:** Sunday, September 14, from 1-3pm
   **Where:** Prairie’s garden at 2620 Briggs St. in Missoula

9. **Celebrate 50 years of Wilderness Stewardship – Sept. 12-14**
   Join Wilderness Watch, Friends of the Clearwater, Forest Service and others as they gather to celebrate the accomplishments of the Wilderness Act. Speakers, traditional skills, music, kids’ activities and discussions around the campfire. [More info here.](#)
   **When:** Friday, September 12 – Sunday, September 14
   **Where:** Wilderness Gateway Campground on HWY 12 along the Lochsa River

10. **Bird Walks led by 5 Valleys Audubon – Sept. 14 & 20**
    See the birds on Missoula’s West End. Meet in the NE corner of the Adams Center Parking lot at 8am on Sept 14 for a half day of birding. Or, join the Beginner bird walk at Lee Metcalf National Wildlife Refuge, Sept 20, 10 am to Noon. Meet at the Refuge Visitors Center.

11. **Teach kids at the PEAS farm this fall for UM credit – register by Sept. 15**
    Want to learn and teach outside of a classroom? Want to gain experience teaching kids about food and farming? Sign up for ENST494.01: Practicum in Sustainable Agriculture Education. Students will lead two field trips each week for five weeks with school groups visiting the PEAS farm. Class will meet Friday mornings either on campus or at the PEAS farm to practice lessons and share teaching experiences. Prior experience as a PEAS farm intern is helpful. Contact [Jason.mandala@mso.umt.edu](mailto:Jason.mandala@mso.umt.edu) with any questions. Sept 15 is the last day to add a new class.
12. **Workshops on Wetland regulations in Bozeman – Sept. 16-17**

There is still room in Montana Water Center’s annual wetland course! The 2-day workshop, September 16-17 on the MSU-Bozeman campus, will cover wetland rules, regulations, and the permitting process in Montana. Register [here](#). Scholarships available.

**Back to Top**

**JOBS** *(mainly local or summer jobs; for full time jobs around the US, subscribe to the envirojobs list serv by emailing vicki.watson@umontana.edu)*

1. **Outreach assistant with Montana Wildlife Federation – apply soon**

   Founded in 1936, the Montana Wildlife Federation (MWF) is a 501(c)(3) nonprofit organization dedicated to the protection and conservation of Montana’s abundant wildlife, natural lands, and healthy waters. The Outreach Assistant will implement communications activities to support MWF’s operations, including priority conservation campaigns, membership development, and fundraising. Application review will begin on September 10 and will continue until the position is filled. See full job description on the Employment bulletin board next to the bull pen in EVST.

2. **On-campus paid job opportunity with Montana Outdoor Heritage Project**

   The Montana Outdoor Heritage Project is a state-wide effort to increase voter turnout among students between the ages of 18 and 29. MOHP has students fill out voter pledge cards, reminds pledgers to vote, and helps students register. MOHP is currently looking for canvassers to work part-time on the Missoula campuses. Or more info, contact Luke at [lallgeyer@wildmontana.org](mailto:lallgeyer@wildmontana.org)

3. **Organizing jobs at Northern Plains Resource Council**

   Two job positions available with Northern Plains: Field Organizer – Billings, MT or Helena, MT and Political Organizer/Political Organizing Director – Helena, MT. [Click here for details](#)

**Back to Top**

**FUNDING SOURCES**

1. **Student Research Grant opportunity – proposals due by Jan. 21, 2015**

   The Northwest Scientific Association awards grants of up to $1,500 to support student research in the pure and applied sciences. This is a great opportunity to fund your research, organize a grant proposal, add substance to your curriculum vitae (CV), and potentially have your research published in the scientific quarterly, Northwest Science. [Click here](#) for grant proposal guidelines and instructions for applying.

**Back to Top**
HOUSING

1. **Daylight basement apartment available in Slant Streets neighborhood**
   Cozy, comfortable, spacious and well-insulated one bedroom daylight basement apartment in desirable Slant Streets neighborhood close to university and downtown. Available immediately. Fenced yard, lovely organic garden, and off street parking. Excellent interior and exterior storage. Landlord provides washer and dryer and pays water, sewer, and trash. Tenant pays gas and electric. Prefer no pets but will consider one very well-behaved dog with excellent references and pet deposit. Sorry, but no cats. Lease term of 8 to 10 months. Tenant must have verifiable income and excellent references. Deposit of one month rent required. If you are interested, mail Sally for more information at sallyweaver47@gmail.com.

RESOURCES

1. **UM’s annual Surplus Stuff Sale – Sept. 11**
   Common items for sale include book cases, filing cabinets, desk chairs and three-ring binders, among others. Signs will be put up along Campus Drive directing people to Building 25.
   **When:** Thursday, September 11, from 8:00 am – 12:00 pm  
   **Where:** UM Facilities Building 25, near the UM Physical Plant

2. **Beautiful notecards for sale from EVST alum**
   EVST alum and artist Claire Emery has beautiful notecards for sale. If interested in purchasing some, contact her at Claire Emery claire@emeryart.com.

3. **State of the University (UM) Address Now on YouTube**
   UM President Royce Engstrom delivered the State of the University Address on Aug. 22, 2014, outlining institutional priorities for the coming year and introducing new faculty members and administrators. Watch the address on UM's YouTube channel.

MISCELLANEOUS ITEMS AND OTHER FUN EVENTS

1. **Spontaneous Construction- Practical Art from Junk on Sept. 20 – register your team now!**
   The most creative DIY contest of the year is just around the corner, Home ReSource’s Spontaneous Construction, Saturday, Sept. 20. Register your team to build something useful & creative out of stuff in just 7 hours! Click here for more info.
   **When:** Saturday, September 20, from 9am to 6pm  
   **Where:** MUD Central by HomeResource, 1515 Wyoming Street
2. **Calling all ICE CREAM SOCIALists! YUM! – Sept. 14**
