3. Prairie Songs, the Second Annual Camas Magazine Event. Sunday, April 19.

Volunteer Opportunities
1. Student ambassador needed for UM’s competition in National Outdoor Challenge.
2. Wildlife Friendly Fence Rebuild. April 18. (RSVP by Wednesday, April 15.)
5. Teller Wildlife Refuge Stewardship Day. Saturday, April 25.
6. MUD needs volunteers for Earth Celebration at Caras Park. April 26.
7. Sierra Club needs volunteers to table. April 19, 22, and 26.

Educational Opportunities
2. American Fisheries Society-UM Chapter invites you to hear Research Fisheries Biologist. April 16.

Internships
1. Ethnobotany Supervised Internship Offered Fall, 2015.
2. Summer 2015 Intern Position with Montana Governor Steve Bullock.
3. Internships available at Urban Herbs.
**Jobs (mainly local or summer jobs; for full time jobs around the US, see the envirojobs list serv)**

1. ASUM Sustainability Coordinator Position now open. Apply now!
3. Part time job at local nursery. Apply now.
4. Food Recovery Network seeks Executive Director. Apply by April 14 for best consideration.
5. Be an Eco-Rep in the UM Residence Halls. Apply by Friday, April 17.
7. Field Worker needed for September.

**Funding Sources**

1. Submit your forest-related business idea for a cash prize to start the business. Apply by June 15.

**Housing**

1. Room for rent in West Missoula.

**Resources (websites, publications and other organizations of interest)**

1. Report available on UM conversations on Carbon Offset Policy.
2. Victor Community Garden open for registration.

**Miscellaneous (social events, videos, and anything else that may be of interest)**

1. Garden City Harvest offers summer camps for kids at two farms.
2. New book out on confronting the threats to sustainability available.

~~~~~~~~~~~~~~~~~~~~~~~~~~~~~~~~~~~~~~~~~~~~~~~~~~~~~~~~~~~~~~~~~~~

**GOOD NEWS ITEM**

1. UM Leads EPA-Funded Field-Based Groundwater Education Project
   The spectrUM Discovery Area and its partners have been awarded an EPA Environmental Education Grant of nearly $170,000 to implement a field- and data-based groundwater education program in western Montana. The project is led by Beth Covitt, spectrUM’s head of Science Education Research & Evaluation. Beth has worked with EVST students over the years, and SpectrUM is headed by EVST alum Holly Truit.
   The Montana Groundwater Academy will engage high school students in firsthand field- and data-based groundwater science, equipping them with the knowledge and skills to make informed decisions about real-world water issues.
   Supporting partners on the project include Mountain Water Company, Missoula Valley Water Quality District, Missoula Parks and Recreation and Newfields Companies, LLC. The Missoula Parks and Recreation board has approved the program’s field site in Greenough Park. Partner scientists and educators include the Bitter Root Research Conservation and Development Area, the Clark Fork Coalition, Salish Kootenai College and the Watershed Education Network.
   The groundwater education field site in Greenough Park will comprise a network of about a dozen monitoring wells, three stream stage gauges and a climate station, which will be installed with funds contributed by Mountain Water Company. The small monitoring wells, scheduled to be installed beginning April 8 and project instrumentation will have minimal impact on the park and on park users.
You can read the full story on UM News. You can also email Beth Covitt for more information.

**AROUND EVST**

1. **EVST 201 student research presentations – April 14-May**
   - Everyone is invited to attend these research paper presentations which will be in SS 258 from 12:40 to 2pm (unless otherwise noted)
   - April 14 – Coursey, Joshua—Impacts of a car-centered culture on physical & mental health
   - Dedrick, Laice – Increasing recycling in Montana
   - April 21 – Webb, Chrissy—Beyond Yellowstone: the future of wild bison in Montana
   - Collins, Rebecca—Current & future impacts of tar sands development on Woodland Caribou, N Alberta
   - Burch, Sara – Effects of Climate Change on Glacier National Park
   - April 28 – Harris, Miriam –Ecological Footprint of feedlot beef vs grass-fed beef
   - Levandowski, Rebecca—Moving Africa back toward food self sufficiency
   - Fischer, Joanna – Soil Biodiversity Decline – Causes, Consequences, Correctives
   - April 30—Crowe, Anastacia—Growing your own —How much land needed to feed a family in Missoula
   - Mcknire, Brandon—Urban farming for urban food security—challenges and opportunities
   - Wilder, Ian—Using Permaculture Concepts to Design a Food Forest for W. Montana
   - May 5—Clark, Evan – Plant-based plastic bottles – their impacts relative to other options
   - Engstrom, Chad—How eco-friendly is Coke’s plant-based plastic bottle?
   - Daniel, Audrey—Biodegradable plastics – plastic pollution solution or problem?
   - May 7 – Karoly, CJ – Managing Flathead Lake fish populations to conserve Bull Trout & manage Mysis
   - Castillo, Jenna—Managing aquatic invasive species in Montana
   - Gomes, Olivia—Conserving Caribbean coral reefs – best management practices
   - May 12 – **NOTE these presentations are from 1 to 3pm**
   - Shirogane, Takuya—Replacing Nuclear Power in Japan with Geothermal Power
   - Baer, Wendell – Effects of different irrigation techniques on storage of water in aquifers
   - Rohde, Sarah—Dam removals – criteria to prioritize dams for removal
   - Sanderson, Danielle—Composting Toilets in Missoula – Benefits and Challenges

2. **Tongue River Railroad Comment-Writing Party. April 15.**
   - On Wednesday, April 15th, Blue Skies Campaign will host a letter-writing party to generate comments on the Tongue River Railroad coal transportation project, which if built would facilitate increased coal exports through Montana to the West Coast. The federal Surface Transportation Board will take comments on the Tongue River Railroad this spring, making it a crucial time for Montanans concerned about coal exports to speak up. We will meet from 5:00-6:00pm Wednesday in the first-floor meeting area of Jeannette Rankin Hall, and will have on hand materials and background information to help with drafting effective personalized comments. All UM students and members of the public are welcome to come and participate.
**FEATURED EVENT** *(See [www.umt.edu/conservationcalendar](http://www.umt.edu/conservationcalendar) for more)*

1. **Earth Week! April 18 – 26.**
   Earth Week includes many service events and celebrations on and off campus. All are described on the [EVST Earth Week Calendar](http://www.umt.edu/evst/earthweekcalendar). Here are some highlights:
   - April 19 – Earth Service Day 1 & Ecopentathlon (river cleanup, UM garden work and recycling)
   - April 20 – Dig Day (turn lawns into food gardens)
   - April 22 – Earth Day Sustainaganza on the Oval
   - April 24 – UM FLAT volunteer work day and BBQ
   - April 25 – Earth Service Day 2 (FreeCycles, more recycling, and more)
   - April 26 – MUD’s Earth Celebration at Caras Park (and another Dig Day)

   Plus UM Dining Services hosts a lot of yummy events throughout the week!

   A printer friendly version of the Earth Week schedule is attached, but it umdoes not include all the events.

2. **Award-winning Sierra Club Campaigner Mary Anne Hitt gives Grad workshop. Friday, April 17.**
   Mary Anne Hitt will present *Cutting Edge Environmental Campaigns: How to Capture the Public’s Imagination and Cause Change*. She is the Director of the Sierra Club core campaign to reduce greenhouse gas emissions and eliminate pollution connected to all stages of the development of resources leading to those emissions. Hitt has held the position of Executive Director at several organizations, and has used the full range of social media and web-based tools to advance the causes she champions. She will share her experience, approaches and advice for making it all work. This workshop is designed for Grad students. If you have any questions about this workshop, email Len Broberg.

   WHEN: Friday, April 17 from 1 – 4 p.m.  
   WHERE: NAC 014

3. **Prairie Songs, the Second Annual Camas Magazine Event. Sunday, April 19.**
   This year’s line-up includes David James Duncan, William deBuys, Annick Smith, Bryce Andrews, Melissa Mylchreest, and Amy Ratto Parks. The Wartime Blues will be providing music for the intermission. There will be a $3 suggested donation at the door to help raise funds for Camas Magazine. You don’t want to miss this great event!

   When: Sunday, April 19 at 6 pm  
   Where: The Top Hat

**Back to Top**

**VOLUNTEER OPPORTUNITIES**

1. **Student ambassador needed for UM’s competition in National Outdoor Challenge.**
   Outdoor Nation is searching for [National Outdoor Champion](http://www.outdoornation.com) during a six-week competition, colleges will compete to prove which campus can get the most people outdoors and active. The Wilderness Institute has already registered UM for the competition, but a UM student ambassador is needed to complete the registration. If you would be willing to serve as the ambassador, contact Natalie at the UM [Wilderness Institute](http://www.wilderness.umt.edu).

2. **Wildlife Friendly Fence Rebuild. April 18. (RSVP by Wednesday, April 15.)**
   Join MPG and Oxbow Cattle Company as we partner to make our shared border friendlier to the hundreds of elk and deer that move between properties. Volunteers will remove barbed top and bottom strands of fence and replace them with smooth-strand fence and drop clips. This project will greatly reduce the potential for injury to wildlife. It is an exciting partnership between
neighbors. Lunch will be provided (please alert us to any dietary restrictions). Please RSVP to jlisbon@mpgranch.com by April 15 for details and directions.

WHEN: Saturday, April 18, 9:30am-4:30pm WHERE: MPG Ranch in the Bitterroot near Lolo.

3. **Volunteer Learning Days at Urban Herbs U Pick Garden. April 18 – 19 and 25 – 26.**
   April 18, 19- Edging beds, installing soil
   April 25, 26 -Install mulch, tilling, planting “early” seeds
   Because of weather “changeability”, we may do inside growing projects if the day is too cold or rainy.
   For more information, visit the [Urban Herbs website](http://www.urbanherbs.org). You can also contact Lori at Urban Herbs.

4. **Victor Community Garden volunteer activity. April 18.**
   Victor Community Garden’s annual Spring Work Day to spruce up the garden and get it ready for planting. Please bring a big potluck dish of food to share for lunch. Tables, chairs, and drinks provided. Call Jill at 642-3601.
   WHEN: Saturday, April 18 from noon to 4 p.m.

5. **Teller Wildlife Refuge Stewardship Day. Saturday, April 25.**
   Enjoy a light breakfast before a morning of wildlife habitat enhancement. Choose from projects like yard spruce up, downed tree removal, houndstongue dig, and garden clean up. For more information or to sign up by emailing Lauren at lauren@tellerwildlife.org or call Lauren or Karin at 406.961.3507.

6. **MUD needs volunteers for Earth Celebration at Caras Park. April 26.**
   Every year, Missoula Urban Demo project puts on a big Earth Celebration & Sustainability Fair at Caras Park. This year it is April 26 (the end of Earth Week), and they need a lot of volunteers to help with set up and tear down for the event, 5K race monitors, and Zero Waste Ambassadors. The Zero Waste Ambassadors will help create zero waste stations and prevent contamination of our recycling and composting efforts. The easiest way for volunteers to sign up is to go to [MUD’s Volunteer Missoula web page](http://www.mud.org/volunteer). Under the ‘Get Involved’ heading, simply click the position you are interested in helping fill.

7. **Sierra Club needs volunteers to table. April 19, 22, and 26.**
   Sierra Club will have info tables at some upcoming Earth Week events and is looking for volunteers willing to staff the tables. Tabling opportunities include:
   - April 19, noon-3pm Wildfest at Caras Park
   - April 22, 10am to 3pm, Earth Day on UM Oval
   - April 26, 11 am to 5pm, MUD’s Earth Celebration,
   If you would be willing to help with any portion of any of these times, email Sierra Club’s volunteer coordinator Shannon Buswell.

8. **Volunteers needed for upcoming Bike Swap at the Adams Center. Coming May 9 – 10.**
   EVST major Madeline Halverson has organized a Bike SWAP. People will be able to sell old bikes and/or buy a new (old) bike. Volunteers are needed on Saturday, May 9, between 1 and 6 p.m. to help with drop-offs, and on Sunday, May 10, between 9 a.m. and 3 p.m. for the bike sale and pick-up process.
   Can you help? Email Madeline at madeline.halverson@gmail.com to sign up to help.
EDUCATIONAL OPPORTUNITIES

1. Wildlife talk. On the Road to Recovery: Grizzly bears, wolverine, and jaguar. April 14. Dr. Jodi Hilty, author and conservation researcher, will talk about the recovery of wildlife. With more than 20-years experience in conservation research, Dr. Hilty enjoys applying science-based solutions to complex conservation challenges. Now an independent consultant, she began working for The Wildlife Conservation Society’s North America Program in 2011 and was director of the program in 2007-2015 based out of Bozeman, Montana. Trained as a conservation biologist at the University of California, Berkeley, Dr. Hilty has co-authored or co-edited three books in the last decade, her most recent book is Climate and Conservation: Landscape and Seascape Science, Planning, and Action. She also has served on boards and committees of conservation, academic organizations and agency entities, and currently serves as an advisor on the NAFTA North America Council.

WHEN: Tuesday, April 14, at 7pm
WHERE: UM’s University Center Theater

2. American Fisheries Society-UM Chapter invites you to hear Research Fisheries Biologist. April 16. The UM Chapter of the American Fisheries Society invites EVST students to hear Mike Young, Research Fisheries Biologist, USFS Rocky Mountain Research Station, speak on "The cold-water climate shield: refugia for salmonid fishes in the 21st century."

WHEN: Thursday, April 16, at 6 p.m.
WHERE: College of Forestry Bldg., Room 305

3. How to Best Prepare for a Career in Global Health. Free Webinar. Thursday, April 16. Learn from leading experts about how to best prepare for a successful career in global health. Learn about the diversity of skills and expertise needed within the broad field of global health, as well as suggested preparations in academics, field experiences, internships, and jobs. For example, what is the best way to stand out in job applications and job interviews? What are pitfalls to avoid in cover letters and resumes? How should undergraduate and graduate students best prepare for a global health career?

This free webinar will be from 4 – 5 p.m. Eastern Time (2 p.m. Mountain), Thursday, April 16. For a full list of panelists and to register for the event, go to the Unite for Site web page.

4. International Wildlife Film Festival coincides with Earth Week. The 38th IWFF Film Festival promotes awareness, knowledge, and understanding of wildlife, habitat, people, and nature through excellence in film, television, and other media, according to their website. You can view a full schedule of this year's events on their website.

All screenings are at the Roxy Theater unless otherwise noted. Return of the River will be screened at UM’s UC Theater on April 21 at 7pm. FREE.

Don’t miss the WildWalk Parade and the WildFest at Caras Park on Sunday, April 19.

5. Beginning birder walk at Lee Metcalf Wildlife Refuge, Stevensville. April 18. Sharpen your bird identification on a beginning birder field trip at the Metcalf National Wildlife Refuge on Saturday, April 18. Learn basic skills such as use of binoculars and field guides, and key field marks. Binoculars are available, if needed. Families with children are welcome. Minimal walking is involved. Meet at the Metcalf refuge headquarters at 10 a.m. for this 2-hour trip. For more information, contact Terry at 214-1194. Sponsored by Bitterroot Audubon, Five Valleys Audubon, and Lee Metcalf National Wildlife Refuge.
6. **Landscaping in the Bitterroot Valley, A Perennial Landscaping Series, begins April 18.**
   Saturday, April 18 10am-12pm Planting Your Home Orchard
   WHERE: Victor Community Garden  COST: $5
   Saturday, May 16 10am-12pm Managing Common Garden Pests
   WHERE: Western Ag Research Center  COST: $5
   Wednesday, June 17 5:30-7pm Ornamental Pruning
   WHERE: Daly Mansion  Free
   For more information call Ravalli County Extension at 375-6611.

7. **Food and Social Justice Week. April 19 – 26.**
   **Community Dinner** - A free community dinner made from ingredients found at Missoula Food Bank.
   WHEN: Sunday, April 19 from 6 – 8 p.m.  WHERE: 1500 Burns Street, Missoula
   **Food for Thought: Federal Budget and SNAP (previously called food stamps)** - Missoula Food Bank’s first monthly community discussion on food insecurity and casual issues of hunger.
   WHEN: Monday, April 20 from 5:30 – 7 p.m.  WHERE: Missoula Senior Center
   **Labor Film Fest: Together We Win and Pride** - Together We Win: The Fight to Organize Starbucks shows at 6pm, followed by a presentation on An Introduction to The Ethical Guide to Dining in Missoula.
   WHEN: Tuesday, April 21 from 6 – 7 p.m.  WHERE: Missoula Public Library
   **Screening of A Place at the Table** - Missoula Food Bank screens A Place at the Table followed by a discussion on reducing hunger in Missoula. The documentary shows why hunger still exists in the US.
   WHEN: Sunday, April 26 from 6 – 8 p.m.  WHERE: 1500 Burns Street
   **Work through My Lens: Voices from the Poverty Line** - This exhibit is part photography, part story. The photographers are Missoulians struggling to get by. Their photos tell about their struggles, and what is important to them.
   WHEN: ongoing through April  WHERE: Butterfly Herbs, 232 N. Higgins

8. **Clark Fork Symposium at UM. April 23-24.**
   Since 1985, Clark Fork Basin citizens have met every 5 years to discuss conservation science and actions in the basin. At the 2015 Clark Fork Symposium, the State of the River report will look back on 30 years of conservation progress (with a focus on the last 5 years) and ahead to future challenges. Short talks and poster presentations will address recent & ongoing studies guiding actions to conserve & restore the basin. Field trips to watershed projects will also be featured. Most of the Symposium is free and open to all (State of the River report, poster sessions and field trips). Due to the small space available for the talks on Friday, April 24, participants must register in advance for a small fee (half of which will be donated to the watershed group of your choice). UM students may attend (as space permits) for helping with the symposium and/or a donation to a watershed group of your choice. Visit the Symposium's web page and view the 2015 Program
   The 2015 Symposium is held in coordination with the Clark Fork-Kootenai Task Force’s annual Climate/Water Supply Outlook forum (free) on April 23, 2015 at Holiday Inn in Missoula. You can Climate/Water Supply Outlook for 2015. For more information, email Vicki Watson <vicki.watson@umontana.edu> or call her at 406.243.5153

9. **Role Models Matter workshop. April 24.**
A national leader in informal science education from Silicon Valley, Techbridge inspires K-12 learners to discover their passion for STEM and related career pathways. In this FREE workshop, Techbridge will share best practices and resources in role model engagement for faculty and graduate students from all disciplines. During this three hour workshop, you will gain new tools to better weave your research, studies and personal story into a classroom visit, plus much more. An informal planning session will follow from 1-3:00 pm where you can design and refine a K-12 classroom experience with Techbridge. Space is limited and demand is high. Reserve your spot today by emailing Holly Truitt (Holly.Truitt@umontana.edu), Director of spectrUM Discovery Area and We are Montana in the Classroom.

WHEN: April 24 from 9a.m. to noon. WHERE: Washington Education Center, Room 123

1. Ethnobotany Supervised Internship Offered Fall, 2015.
   Student interns will work on campus and on UM’s natural areas, learning about native plants, invasive species, landscaping, restoring natural areas, and ethnobotany of Native peoples. This is a hands-on internship working outdoors with native plants and in natural areas, combined with academic work. Students will meet once per week with instructors, plus work six hours per week on a project on campus. Environmental Studies faculty Rosalyn LaPier, in collaboration with UM’s Manager of Natural Areas, Marilyn Marler, are the instructors. For more information, email Rosalyn LaPier or call her at 406-243-6787.

   The Governor’s Office is currently seeking interns for summer 2015 to work in Helena. Governor’s Office interns will work closely with staff in the Governor’s Office to support staff efforts, provide background research, write briefing memos attend meetings, and communicate with constituents around the state. Interns will gain experience in a variety of policy areas, communications and press, constituent services, and will get an in-depth understanding of state government from the Governor’s Office. The intern will be required to work 10-20 hours (part-time) or 40 hours (full-time) per week. Specific start and finish dates are flexible. To apply, please send a cover letter, resume, and two references (one academic and one work-related, if possible) to Staff Assistant Brittney Kuntz or call (406) 444-3111. The deadline for applications is April 30.

3. Internships available at Urban Herbs.
   EVST STUDENTS: You can still get credit volunteering for 45 hrs. of working side by side with me by coming out 6 Volunteer Days 10 am-5 pm. Visit the Urban Herbs internship page for more details and instructions to apply.

JOBS (mainly local or summer jobs; for full time jobs around the US, subscribe to the envirojobs list serv by emailing vicki.watson@umontana.edu)

1. ASUM Sustainability Coordinator Position now open. Apply now!
   The Associated Students of the University of Montana are seeking applicants for its part-time graduate student sustainability coordinator position. Eligible candidates will be current graduate students at UM with an interest in sustainability issues and furthering UM’s progress toward our sustainability goals. Check out the full position description.
Interested parties should contact the current ASUM Sustainability Coordinator, Chris Olsen, for more information. To apply, please email a cover letter, resume, and list of 3 references to asum.sustain@mso.umt.edu.

2. **Conserv. Ed. AmeriCorps Member @ Lone Pine State Park. New Start Date (5/18). Apply Now.**

This Americorps member will coordinate the educational and interpretive programs at the park, to include school field trips, guided hikes, and youth programs throughout the year, as well as free national events. Additionally, this position will increase volunteerism, particularly with volunteers who could assist in presenting educational programs and groups who would assist in volunteer work days. This position will increase public outreach and awareness through the use of the park’s Facebook page and interaction with the Friends of Lone Pine.

Term of service: May 18, 2015 – November 6, 2015

Service schedule: Member will serve a minimum of 915 hours over 25 week term of service, averaging 38 hours per week with 40 hours of holiday, vacation or sick time.

For more information on the position or to apply, go to the [Montana State Parks/Americorps web page.](#)

3. **Part time job at local nursery. Apply now.**

Marchie’s Nursery has seasonal, part-time job openings. They will work around your schedule and are willing to train you. Stop in and fill out an application. Marchie’s is located at 1845 South 3rd West (between the Good Food Store and the CocaCola plant. No phone calls!

4. **Food Recovery Network seeks Executive Director. Apply by April 14 for best consideration.**

Food Recovery Network is the largest campus-based food recovery movement in the country, empowering college students to donate surplus prepared food from their campus dining halls to local food pantries in order to reduce waste, feed hungry people and fight climate change.

Key responsibilities for this full-time, salaried position include leadership, strategic thinking and planning, fundraising, fiscal management, excellent communication skills, and management of external partnerships. Experience in a fast-paced environment, whether non-profit, for-profit, or the public sector and experience managing a $200,000+ annual budget are important.

Interested applicants should submit a cover letter, resume, & an additional sheet containing 3 references, salary history, & compensation requirements to hiring@foodrecoverynetwork.org. Review of applicants will begin immediately. Submit your application by April 14 for best consideration.

5. **Be an Eco-Rep in the UM Residence Halls. Apply by April 17.**

Apply to be an Eco-Rep! Get paid AND earn college credit to teach students about sustainability by organizing activities and providing learning materials. Looks great on a resume and is a lot of fun! Email a cover letter and resume to asum.sustain@mso.umt.edu by Friday, April 17. If you have any questions, contact the sustainability coordinator at the same email address.

6. **Locavore Chef/Manager position. Starts May 18. Apply by April 20.**

The Buttercup Market and Café (one block from UM) is looking for a creative chef/manager who wishes to live in Missoula and work one block west of the University of Montana. The Buttercup serves a town and gown community with healthy, fresh food simply prepared and artfully served. We strive to be locavore which in Montana is more like region-vore. Our customers range from vegans to serious carnivores. At least a third of the menu items are gluten-free. This
position will be in charge of expanding the breakfast and lunch menus, assisting in private parties at the Café, and training and managing the back of the house. We seek an experienced chef who loves the challenge of creating with food harvested that morning or brought in from the farmers’ market. Our ideal candidate can work well with others and set them up to succeed, and is fully certified in the latest Health Department procedures. While preference will be shown to those with degrees from cooking school, those who are self-taught with applicable experience will be considered. The Buttercup has experienced steady growth since it opened four years ago. A successful change in zoning passed last summer opened up the possibilities of an expanded menu and the ability of a line and cook to order items. Compensation will be based on experience. Hours will most likely be 7 to 3 Monday through Friday.
To apply, drop off a resume at the Buttercup at 1221 Helen Ave, or email one to molly@thebuttercupmarket.com. Include 3 references, a cover letter describing your strengths for fulfilling this job, and availability.

7. Field Worker needed for September.
Vicki Watson is looking for a grad student who will be finished attending classes by this fall, will be finishing up writing their grad paper, and who might be interested in doing some field work for the DEQ for the month of September.
If you would like to earn some money and get some field experience by working full time in September, email Vicki Watson (Vicki.watson@umontana.edu) for details.
Qualifying pre-proposals must be submitted by 11:59 pm MDT, Monday, June 15, 2015. For information on the Barrett Foundation Business Concept Challenge, visit the organization's website (http://www.nationalforests.org/conserve/grantprograms/barrett-prize).

**Back to Top**

**HOUSING**

1. **Room for rent in West Missoula.**
   This can be free for an EVST student who wants to trade in work. Available May 1st. Call 406-529-3714 for more details or visit the Urban Herbs website.

**Back to Top**

**RESOURCES**

1. **Report available on UM conversations on Carbon Offset Policy.**
   UM Sustainability Coordinator (EVST alum) Eva Rocke has produced a summary report (scroll down just a bit) from the fall 2014 UM Campus Conversation that focused on carbon offsets and RECs. The Conversation resulted in guidelines for a UM carbon offset policy. Please check out the report and offer your thoughts/feedback.
   SAVE THE DATE – Another Conversation is scheduled for the evening of Monday, April 20, 2015. Details to follow. For more information email Eva Rocke or call her at 406.243.4323.

2. **New Journal on ecosystem health & sustainability.**
   In March, ESA published a new open access journal with the Ecological Society of China. *Ecosystem Health and Sustainability*, the first ecological journal published cooperatively by scientific societies from two countries, fosters communication of applied ecological research across national and disciplinary boundaries. The open access journal encourages submissions from scientists working in parts of the world experiencing rapid economic development, who are underrepresented in scholarly literature. The first issue launched on March 17th with articles on global greenhouse gas emissions, ecosystem health indicators, and sustainable urban growth in fast-growing 21st century megacities. Learn more about the new journal on ESA’s news page.

3. **Victor Community Garden open for registration.**
   We have 40 - 20' x 20' plots with great sun exposure surrounded by a deer proof fence. We provide compost, mulch, tools and have an automated watering system that waters every night. We require organic methods. The fee for a plot is $35 for the whole season (year) to be sent with the registration form). The garden is located on 5th, just west of Victor. Call Jill at 642-3601 for more details.

**Back to Top**

**MISCELLANEOUS ITEMS AND OTHER FUN EVENTS**

1. **Garden City Harvest offers summer camps for kids at two farms.**
   Campers get to spend time outdoors, exploring life on a working farm, learning how food gets from the field to our plates, and having fun.
Seed & Feed @ Orchard Gardens Farm 8:30 am to 12:30 pm, Monday through Thursday: June 22 - June 25 OR July 13 - July 16.
Fee: $135 for each session (or by sliding scale). Payment due at time of sign up. Go to the Garden City Harvest Summer Camp web page for more information or to register.
Little PEAS @ the PEAS Farm: 9am-3pm, Monday through Thursday: June 22 - June 25 OR July 13 - July 16 OR August 10 – 13.
Fee: $200 for each session. Payment is due at time of sign up. Go to the Garden City Harvest Little Peas web page for more information. Register by calling Jason Mandala at (406) 239-5524.

2. New book out on confronting the threats to sustainability available.
In State of the World 2015, the flagship publication of The Worldwatch Institute, experts explore hidden threats to sustainability and how to address them. Eight key issues are addressed in depth, along with the central question of how we can develop resilience to these and other shocks. With the latest edition of State of The World, the authorities at Worldwatch bring to light challenges we can no longer afford to ignore. This book, recommended by Robin Saha, is available in paperback, ISBN 9781610916035.
