MILLER HALL

Located on the south side of campus, Miller Hall was completed in 1965 and dedicated to J. Earl “Burly” Miller, who was Dean of Men for two decades.

Miller’s renovation, completed in 1996, made substantial changes not only to the interior but also the exterior of the building. Miller Hall has a capacity of 326 students living in either three bed suites (96), single penthouse rooms (40) or regular double rooms (190), sharing bathroom facilities located on each wing.

Miller is smoke-free. The rooms are furnished with moveable furniture allowing some flexibility in living space arrangements.

Each floor is divided into two wings, and each wing is generally occupied by a different gender. The diagram at right represents the layout of a typical wing in Miller Hall.
