REGION NIGHT

On Monday evening, students on each country team will meet with others from their region to find out more about the region’s politics, economics, history, and culture. The evening will feature an informal quiz on facts about the region and presentations by UM international students from the region.

A country team is the group of students from a particular school that represents the same country on various MMUN committees. For example, the Mali country team is made up of the four students from High School X representing Mali on GAP, GA-1, GA-2, and GA-3.

Attendance will be taken and will be considered in country and school awards.
