SHALLENBERGER SCHOLARSHIP FOR PROSPECTIVE PHYSICS MAJORS

The Department of Physics and Astronomy, University of Montana, will award a scholarship in honor of the late professor G.D. Shallenberger, professor of physics at the University of Montana from 1923 to 1960. Former students, relatives and friends of Professor Shallenberger have provided the funds for the scholarship. The twenty-fifth annual Shallenberger Scholarship will be awarded for the academic year 2014-2015. The recipient of the scholarship will be awarded approximately $2,300 for the academic year 2014-2015 – to be divided over two academic semesters with payment being made after enrollment for each semester.

The following criteria will be used in making the award:

1. The recipient must be graduating from a Montana high school and must enroll at the University of Montana as a freshman majoring in either physics, physics with an astronomy option, or physics with a computational physics option for Fall of 2014.

2. The recipient must have demonstrated a high degree of scholarship in high school.

3. Need is not a criterion for this award.

Applications for the award should be sent to:

Dr. Dan Reisenfeld
University of Montana
Department of Physics and Astronomy
32 Campus Drive #1080
Missoula, MT  59812-1080

Please include: high school transcripts, a letter of recommendation from your high school science teacher and a short essay outlining your future educational plans. Applications should be received at the University of Montana no later than Friday, April 4, 2014. For more information about the scholarship, or about the Department of Physics and Astronomy at the University of Montana, please contact Dr. Reisenfeld by phone (406) 243-6423 or by email at dan.reisenfeld@umontana.edu. You can view our department web page and information about this scholarship at http://cas.umt.edu/physics/.

Announcement of the award will be made on or before April 18, 2014, and a letter confirming the award will be sent to the recipient at that time.
