**UM Political Science**

Political Science faculty engage and enlighten undergraduate and graduate students, colleagues, and fellow citizens about the theory and practice of politics.

Majoring in Political Science at UM provides students with:
- A broad education in the social sciences and humanities.
- The foundations of citizenship and the capacity to participate effectively in local, national, and international politics.
- Understanding, problem-solving skills, and communication skills for careers in government, politics, law, and teaching.
- Accreditation to teach government and social studies in middle and secondary schools.
- Strong preparation for law school and continued study of politics at the graduate level.

We embrace the University’s vision of “Creating Change Together.” Our exciting and rigorous courses and programs offer many opportunities for local, national, and international engagement and leadership.
