Grade requirements: minimum grade of C- in each PSCI course and overall PSCI GPA of 2.00.

Credit requirements: 120 credits are needed to graduate, of which 39 must be upper division. A maximum of 60 PSCI credits can count towards the Political Science major. Additional PSCI credits count toward the degree but raise the minimum degree requirement of 120 credits. For example, if you earn 63 PSCI credits, you need 123 credits to receive a degree. No more than 7 credits of independent study (PSCI 492) and internship (PSCI 498) combined may count toward the required credits for the major. You can use the same 300/400 course to fulfill both an upper-division field and option requirement but cannot double count the course credits.

An internship is strongly recommended.
