SGA Group Report***

Directions: Please choose a reporter and recorder for your group. For each of the three areas below, ask all members of the group to share one key response. Record these responses below.

Responses will be confidential and anonymous.

What aspects of this course/instruction enhance your learning?

How could this course be improved to enhance your learning?

What could you - as a student - do to enhance your learning in this course?

(Continue answers on back as necessary)
